1 GET READY TO BUY

8+ WEEKS OUT

- ☐ **Get pre-approved** — know your real budget before you shop (not just pre-qualified)
- ☐ Define your must-haves, nice-to-haves, and dealbreakers
- ☐ Research neighborhoods, school districts, and commute times
- ☐ Review HOA rules, fees, and any rental or fence restrictions for communities you like
- ☐ Look up property tax rates and typical utility costs for the areas you're considering
- ☐ Start touring homes and attending open houses
- ☐ **Build your cash-to-close fund:** closing costs typically run 2–4% of the purchase price, plus earnest money and moving costs
- ☐ Connect with a Realtor you trust and sign a buyer representation agreement

Pro tip: avoid opening new credit, financing furniture, or changing jobs from this point through closing.

2 UNDER CONTRACT

30–45 DAYS BEFORE CLOSING

- ☐ **Deliver your earnest money** by the deadline in your contract
- ☐ Schedule a professional home inspection (consider radon, sewer scope, and termite/WDO inspections)
- ☐ Review inspection results and negotiate repairs or credits within your due diligence period
- ☐ Secure homeowner's insurance and send proof of coverage to your lender
- ☐ Stay in close contact with your lender — respond to every request within 24 hours
- ☐ Confirm the appraisal is ordered (your lender handles this) and your title company is engaged
- ☐ Order a home warranty if you want one
- ☐ Begin planning any renovations or improvements for after closing

3

PLAN YOUR MOVE

4-6 WEEKS BEFORE

- ☐ Get moving quotes from at least 3 licensed companies (or reserve a truck) — book early for month-end dates
- ☐ Sort and declutter — don't pay to move what you don't need
- ☐ Begin packing non-essentials: books, decor, seasonal items
- ☐ Collect boxes, packing tape, and supplies
- ☐ Notify your landlord if you're renting (check your lease for notice terms)
- ☐ Create a moving budget and track expenses

4

LOCK IN THE DETAILS

2-4 WEEKS BEFORE

- ☐ Confirm your moving company or truck reservation in writing
- ☐ Set up mail forwarding with USPS
- ☐ Schedule utilities at your new address: electric, gas, water, trash, internet
- ☐ Update your address with your bank, insurance providers, and employer
- ☐ Pack room by room — label every box by room and contents
- ☐ Arrange childcare or pet care for moving day
- ☐ Transfer or cancel subscriptions and memberships
- ☐ **Review your Closing Disclosure** as soon as your lender sends it — you should receive it at least 3 business days before closing. Compare it to your Loan Estimate and ask questions.

5

FINAL WEEK

7 DAYS BEFORE CLOSING

- ☐ Confirm closing date, time, and location with your Realtor and title company
- ☐ Schedule your final walkthrough of the new home
- ☐ **Verify wire instructions by phone** using a number you already trust. Never rely on emailed wire instructions — wire fraud is real.
- ☐ Confirm exactly how much you need to bring or wire for closing
- ☐ Pack a "first night" box: toiletries, chargers, sheets, snacks, medications, basic tools
- ☐ Defrost the freezer and clean out the fridge
- ☐ Disassemble large furniture as needed
- ☐ Back up important files and charge all devices

6

CLOSING DAY

THE BIG ONE

- ☐ Bring a valid government-issued photo ID
- ☐ Bring certified funds (cashier's check) or confirm your wire has been received
- ☐ Review and sign all closing documents carefully — ask about anything unclear
- ☐ Receive your keys, garage openers, and any codes or remotes
- ☐ **Confirm utilities are active** at your new home
- ☐ Do a final sweep of your old place before handing it over

Congratulations — you're a homeowner!

7

MOVING DAY

DAY OF

- ☐ Walk through the new home before unloading and test all major systems: HVAC, plumbing, appliances
- ☐ Supervise the movers or direct helpers to the right rooms
- ☐ Check inventory as items come off the truck and note any damage right away
- ☐ Set up essential rooms first: beds, bathroom, kitchen

8

SETTLE IN

FIRST 30 DAYS

- ☐ **Change all locks** and update garage codes, security codes, and smart-home passwords
- ☐ Locate the main water shutoff, electrical panel, and gas valve
- ☐ Update your address: DMV, voter registration, subscriptions, IRS
- ☐ Test smoke and carbon monoxide detectors; replace batteries
- ☐ Change HVAC filters and note the service schedule
- ☐ Register children at their new school
- ☐ Find local services: doctor, dentist, vet, pharmacy
- ☐ Keep your closing documents and home inspection report in one safe place
- ☐ Schedule any planned renovations or improvements
- ☐ Introduce yourself at the HOA office or to neighbors (if applicable)
- ☐ Leave a review for your Realtor — it truly means the world!
